

The Town of Wellesley Needs Your Help!

All Morses Pond Abutters

Are Encouraged to Attend an

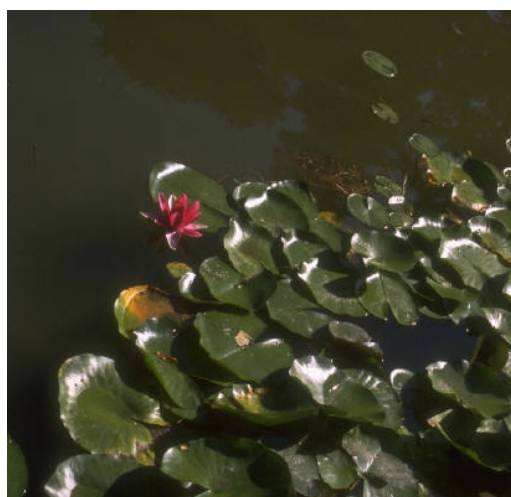

Invasive Plant Management Workshop

Saturday, Sept. 6, 2008

2:00 PM at the

Town Beach Area

(Rain date– Sun., Sept. 7th at 2 PM)

The Town needs your help to improve the health of the pond. Please come see a demonstration on how to control and remove invasive plants from the pond using hand harvesting techniques and benthic barriers and learn other ways that you can help improve the health of the pond.

Directions: Park in the beach parking lot –the Turner Road gate will be open or paddle over!

**For more info please contact Natural Resources Commission
Director Janet Bowser At 781-431-1019 ext. 2290**
